

# GRADUATE PROGRAMS IN **EDUCATION AT MCLA**

## **ARE YOU CURRENTLY TEACHING WITH AN EMERGENCY LICENSE?**

### **PATHWAYS TO LICENSURE**

Our Graduate Programs in Education at MCLA provide you with a clear pathway to complete your Initial Teaching License and your Master's of Education (M.Ed.).

#### **About the Pathway:**

- Apply by December 1 to begin the program in Spring 2024.
- All coursework can be completed online and synchronous classes.
- All courses are scheduled in the afternoons, evenings or weekends to meet the needs of working educators.
- Complete your graduate level licensure coursework in 18-24 months.
- Take prep workshops to prepare you for the Massachusetts Tests for Educator Licensure (MTEL).
- Map your program during individual advising sessions with faculty advisors.

#### **Master Of Education (MEd) with Initial Licensure:**

- Early Childhood PK-2
- Elementary 1-6
- Middle School Humanities 5-8
- Middle School Math/Science 5-8
- General Science 5-8
- Mathematics 5-8
- Moderate Disabilities PK-8
- Moderate Disabilities 5-12
- English 5-12
- History 5-12
- Biology 8-12
- Chemistry 8-12
- Physics 8-12
- Mathematics 8-12

MCLA's Initial teacher licensure programs prepare individuals to teach in their own classrooms, promote educational excellence and equity, deliver effective instruction, and encourage active participation in a democratic society. All Initial licensure programs are approved by the Commonwealth of Massachusetts.
