Watchfulness: Folk Art & The Craft of Teaching

Presented by:

Maggie Clark

PhD, Associate Professor of Education at
Massachusetts College of Liberal Arts

Rebecca Buchanan

PhD, Associate Professor of
Curriculum, Assessment, and Instruction
at University of Maine

Come enjoy warming teas, dinner-ish level snacks,
and a celebratory chocolate sheet cake
as we indulge in a vibrant scholarly community!

Wednesday, February 7th, 5:30pm
Murdock 218

"In 'Watchfulness,' we explore collaborative folk art creation, exchanging pieces through mail to embrace freedom. Documenting via photography and journaling connects our art to human values. This presentation challenges traditional methods, advocating for disruptive, truth-seeking approaches through arts-based research."
