

# State University Internship Incentive Program

MCLA is offering university sponsored internships through a Massachusetts State University Internship Incentive Program and the MCLA Foundation.

The funding may cover the cost of the internship (tuition, fees, and travel expenses). Funding will be available, on a limited basis, for students who meet the requirements.

## Requirements:

- Massachusetts State Resident
- Full time matriculated student
- Minimum 2.75 overall GPA
- Completed FAFSA application

## Stipend Guidelines:

The stipend may cover tuition, fees, travel and additional expenses associated with the internship.

3 Credit Internship	-	\$2,000.00
6 Credit Internship	-	\$3,000.00
9 Credit Internship	-	\$4,000.00
12 Credit Internship	-	\$5,000.00

## Financial Aid Notes to Students:

Qualified applicants of the Internship Incentive will receive notification of their award from the Financial Aid Office and the Dean of Academic Affairs. Once awarded, the funds will be applied towards any outstanding tuition balance the student may have. If the Student Account is satisfied, the funds can be sent to the student in a refund check to cover fees associated with the Internship. In some cases, to prevent an over-award, student loans may have to be reduced. The application of funds to the student's account may vary depending on the semester and date the Internship Application is submitted. For more information regarding the application of Internship Incentive Funds please contact the Financial Aid Office.
