

Hello,

In our on-going efforts to support our students in the Townhouses we have launched a Lost Wages Fund. This is an off-shoot of our earlier Resiliency Fund, available to assist students with the unexpected loss of wages from off-campus employment due to the temporary lockdown order in the Townhouse Complex. Students with on-campus employment will continue to be compensated, even if they are unable to do that work remotely. An email outlining the application process was sent earlier today to all Townhouse residents.

Please share the link with students you may be assisting in this difficult time.

Please let me know if you have additional questions.
